ESTATE SERIES

Welcome

"My vinyl Garden Shed is the perfect yard & garden storage..."

This collection of sheds exhibits superior design and excellent craftsmanship to create a value that is unsurpassed. From the broad variety of styles to the many options in colors and features, we are sure that we have just the shed for you.

Every order is a "custom order"—made just to your specifications. We encourage you to look at our options, and tailor your shed to your tastes and needs. Please also review our quality features inside the back cover to see and appreciate the fine craftsmanship of our structures.

We believe our line represents the finest sheds in the marketplace, both in style and in quality. We guarantee your satisfaction and we are here to serve your interest!

The Heritage

The Stone Chalet

The Manor

The Corner Nook

Nestled against the corner of your yard, the unique Corner Nook shed is your backyard storage solution. Add valuable storage space while preserving precious yard space with the 5-sided Corner Nook.

Standard features include:

- One double 4-lite steel door
- Two 24" x 36" single hung windows with screens and shutters

Options Shown

- Flower Boxes

The Cape Cod

The classic Nor'Eastern look of the Cape Cod shed will add appealing style to your formal or country garden. Deep overhangs, a steep pitched roof and a transom window combine to give you the stately look you've been seeking. Add a cupola for that finished touch.

Standard features include:

- One double door
- Two 24" x 36" single hung windows with screens and shutters
- One transom window

Options Shown

- Ridge Vent

The Carriage Shed

Get style and dignity with this popular shed design. Great for a multitude of uses . . . a playhouse for your youngsters, storing your lawn and garden equipment or just simply additional storage space to relieve your crowded garage. Add additional character to this already beautiful shed with the optional window flower boxes.

Standard features include:

- One double door
- Two 18" x 27" single hung windows with screens and shutters

Options Shown

- Ridge Vent
- Flower Boxes

The Garden Shed

You will fall in love with this quaint shed. With its steep roof line and gable overhangs, this shed will look great nestled among your backyard gardens. The Garden Shed is great for looks and storage space.

Standard features include:

- One single door
- Two 18" x 27" single hung windows with screens and shutters (8' wide - one window)
- One octagon window
- Overhang on gable walls

Options Shown

- Flower box
- Architectural shingles
- Steel pre-hung entrance door with 9-lite glass

The Victorian

A garden shed? A cottage? Your backyard get-a-way? A home office? The Victorian was designed to provide style and function in many different applications. Behind its charming look is a lifetime of service and enjoyment.

Standard features include:

- One steel entrance door with 9-lite glass
- Two 24" x 36" single hung windows with screens and shutters
- One double door
- Dormer with overhang over entrance door

The Chalet

This lovely building with its gracefully designed steep roof line is a winner. The single entrance door is neatly tucked under an attractive reversed gable dormer with an overhang. You have found the shed you've been searching for.

Standard features include:

- One steel entrance door with 9-lite glass
- Two 24" x 36" single hung windows with screens and shutters
- One double door
- Dormer with overhang over entrance door

Options Shown

- Ridge Vent

The Porch Nook

If you are looking for something unique, try the famous Porch Nook. The 3' by 8' porch is neatly nestled in the front corner of the shed. This building will add beauty and value to your property.

Standard features include:

- One steel entrance door with 9-lite glass
- One double door
- Three 24" x 36" single hung windows with screens and shutters
- Vinyl post and railing on porch
- One flower box
- Maintenance free poly lumber deck flooring on porch floor

Options Shown

- Ridge Vent

The Workshop

This shed is the practical solution for the garden or hobby enthusiast. Great for storage or work area. Add the optional ramp to facilitate moving lawn and garden equipment in and out with ease.

Standard features include:

- One double door
- Two 18" x 27" single hung windows with screens and shutters

The Porch Patio

Standard features include:

- One steel entrance door with 9-lite glass
- Four 18" x 27" single hung windows with screens, shutters, and two flower boxes
- Vinyl post and railing on porch
- Poly lumber deck flooring

Options Shown: • Ridge Vent

The Cabana

Standard features include:

- One steel entrance door with 9-lite glass
- Two 24" x 36" single hung windows with screens, shutters, and flower boxes
- One double door
- Vinyl post and railing on porch
- Maintenance free poly lumber deck flooring on porch floor

The Villa

A stately look with a hip roof which will enhance your property. This building is very practical and durable, giving you storage space that will beautify your yard and last for many years.

Standard features include:

- One double door
- Two 18" x 36" single hung windows with screens and shutters

Options Shown

- Cupola
- Steel raised panel double doors

The Garages

Protect your car, boat or ATV from the harsh elements of the weather with a sturdy built garage. With durable vinyl siding, you will never need to paint these garages. Select between our single wide or double wide garages to suit your needs.

Single wide standard features include:

- One 3' entrance door
- One 9' x 7' garage door
- Two 24" x 36" single hung windows with screens and shutters
- 12" on center floor joists

Options Shown

- Ridge Vent
- Ramp

The High Barn

The spacious high wall barn is the perfect choice for those who prefer maximum headroom and openness. You have the ability to significantly increase your storage space by adding an optional loft or two.

Standard features include:

- One double door
- Two 18" x 27" single hung windows with screens and shutters

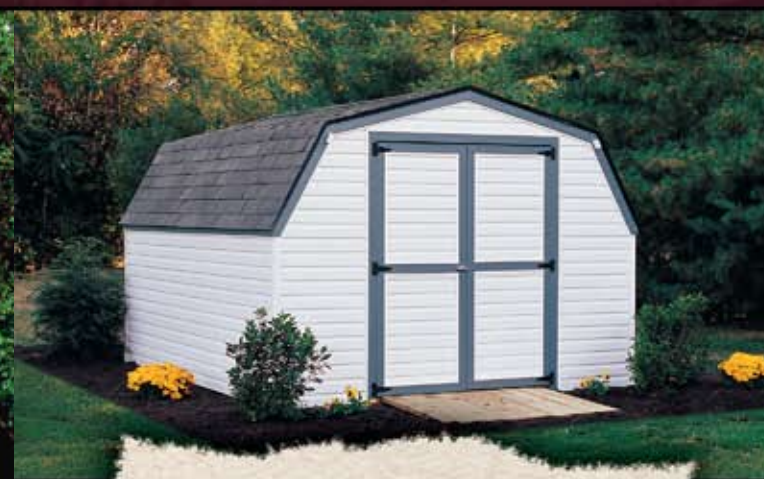

Options Shown

- Ridge Vent
- Ramp

The Double Wide Garage

Contact us for building specs and to customize your very own double wide garage!
